Please tell people to use the Main Gate. Upon entering post, turn left on Freedom Road, past the side of the airfield going "Downtown", taking it all the way to MacArthur Road (~2 miles). **Turn right at the intersection** of Freedom and MacArthur and follow MacArthur Road past the Auto Craft shop. MacArthur will veer left and then right, all within 400 yards. **At the end of the zig and the zag**, they will see the **Super Gym** on the right side of the road. It is **Bldg. 1949**.
