

News for U.S. Military Widows in Korea

1. **Vacation:** The retiree assistance offices will be closed July 27-31 for vacation. If you have something that requires help from these offices, please try to have your business taken care of before that week. If it's not really urgent, then please wait until after we've had time to take a break.
2. **Telephone Numbers:** We continue to have a hard time connecting with some widows by telephone. Many have cancelled their home phones in favor of hand phones. But then, the cell phone numbers are changed and we are not notified. If something important comes up and we cannot contact you, you might find that your money stops coming.

If you have cancelled or changed your home phone and hand phone number, please give a call to the office at 031-663-0319 and tell us the best number to use to contact you. If we're not in the office, leave a message on the answering machine with your name and the phone number. We can't help you if we can't contact you.

3. **Credit Union:** This is just a reminder that the USA Federal Credit Union stopped sending monthly statements to you by mail. If you want to continue receiving the monthly statement, it will cost you \$2 each month.

4. **Osan Pharmacy Schedule:** The Osan Hospital Pharmacy will be closed on July 13-14-15 for some repairs to be made. If your prescription is getting close to needing a refill, you should to visit the pharmacy the week before, or else wait until Jul 16. The Pharmacy will also be closed during the exercise July 20-24.

5. **Osan Exercise Schedule:** The Osan Hospital and many of the offices will be closed July 20-24 for an exercise. The ID Card Section, Ration Cards and Vehicle Registration will be open.
